Hi, Tony –

It looks like you should have access to the internal SharePoint folder where I've been stashing the working documents:

Ex. 6 Personal Privacy (PP)

Gantt charts (current as of the latest updates re: rulemaking timelines) are in this main folder.

The folder with the current MOA between Florida and EPA is here, as well as earlier versions and related documents:

Ex. 6 Personal Privacy (PP)

Specifically, the most recent version (Draft 6) is here, but I'm expecting a Draft 7 soon based on today's discussion:

Ex. 6 Personal Privacy (PP)

I haven't yet copied Florida's draft 62-331 rule (the one to set up their State 404 Program) into folders, but it is publicly posted here, along with the Draft State 404 Applicant's Handbook, to be incorporated by reference as a rule:

State 404 Program Rule <http://publicfiles.dep.state.fl.us/dwrm/draftrulesdocs/62-331/Draft-62-331.docx>

404 Handbook <http://publicfiles.dep.state.fl.us/dwrm/draftrulesdocs/62-331/Draft-404-Handbook.docx>

They also made changes to their existing 62-330 (ERP) rule:

ERP Rule http://publicfiles.dep.state.fl.us/dwrm/draftrulesdocs/62-330/Draft-62-330_404-Changes.docx

ERP Applicant's Handbook Volume I <http://publicfiles.dep.state.fl.us/dwrm/draftrulesdocs/62-330/Draft-AH1.docx>

I'm attaching my PDFs of the assumption regs (40 CFR part 233) and the CWA, seeing as how we keep referencing it, too.
